From the L.A. or Orange County areas take the 210 freeway (or 10 or 60 freeways) east to the 15 freeway and go north toward Victorville. Take the CA-138 exit (look for the truck way station and McDonalds on right hand side). Turn left over the freeway and go approximately 5 miles to Angeles Crest Highway (Highway 2). Turn left and continue on the Angeles Crest Highway into the town of Wrightwood. Go approximately 5 miles through the town to the Mountain High Ski Resort and look for the sign that says "Jackson Lake & Palmdale" and turn right (which is Big Pines Highway). Go about 2 miles down the road and Harmony Pines Christian Center will be on the right hand side (if you reach Jackson Lake you've gone too far).

From the Ventura or San Fernando Valley areas take the 405 freeway north to the 5 freeway north. Then take Highway 14 north toward Palmdale/Lancaster. Before you get to Palmdale, exit on Pearblossom Highway (Highway 138) and go east toward Pearblossom. Follow Pearblossom Highway approximately 20 miles to Largo Vista Road (approximately 4 miles past 165th St. East). Turn right onto Largo Vista Road and go up the mountain until you reach Big Pines Highway (there is a stop sign). Turn left at the stop sign onto Big Pines Highway and go about 5 miles. Harmony Pines Conference Center is 1/4 mile past Jackson Lake on the left hand side (if you end up at the Mountain High Ski Resort you've gone to far).
